BTNAA

2021 Membership Drive

From the President

Phil Dauterive, D'70

Dear Brother and Sister Alumni,

As we enter the year 2021, I strongly encourage you to consider joining your Boys Town National Alumni Association as an **Annual Member** or a **Lifetime Member**. If you are already a member please consider making a gift of membership to a classmate, housemate, or friend from your days at Boys Town. This is such a great way to let them know that you care!

Membership in the BTNAA is the best way to guarantee the future of our Association so that new generations of Boys Town Alumni can carry on the legacy of our founders and perpetuate our mission. By participating as a member, you have a stake in the future and the outcomes for our Association. We are also on the lookout for future leaders for the BTNAA and membership gives you the opportunity to become part of the leadership team as a board or committee member of our Association.

When we began 2020 we were looking into a new decade with promise and anticipation...then came COVID-19. What a challenge it has given us. Sadly, out of an abundance of caution for the health of our alumni and for the youth and staff of the New Orleans campus, we cancelled our mini reunion which was scheduled last July.

After much deliberation and consultation with the Alumni Office, the BTNAA Reunion Committee has recommended to the Board and the Board has approved that the 2021 35th Biennial Alumni Family Reunion be moved from this coming July to **July 23-25, 2022** at Boys Town.

Please stay safe and we look forward to seeing you as a member of the BTNAA this year.

Phil Dauterive

From the Alumni Director

Tony Jones, '88

Dear Brother and Sister Alumni,

The 2021 Annual Membership Drive is underway, and I encourage you to take advantage of this opportunity to become a member of your Alumni Association. This is the best way for you to connect, reconnect or stay connected with fellow alumni who you grew up with at Boys Town. We are working hard for you in the Alumni Office and want you to know that your membership in the Association is valued and important. This membership drive helps us to update our Alumni Directory, so we ask for your help in updating your contact information and letting us know where your alumni friends and classmates are living.

It has been an interesting year in the Alumni Office. We have expanded our scope of operations to include all aftercare functions on campus. I have been busy working with our senior class as they plan for their future. They are eager to join the ranks of the Alumni Association.

The restrictions in place on campus, to protect the youth and staff from the COVID-19 pandemic, have temporarily changed the way we have been doing business. Most of our work is done remotely via tele/video conference. Gail has been working from home and comes into the office once a week. We look forward to the day when the doors are open for everyone to stop in the Alumni Office for a cup of coffee and a visit.

I send you best wishes from all of us in the Alumni Office and ask that you stay safe and healthy.

Your Boys Town brother,

Tony
